

Make an **ORIGAMI SECRET LETTER..** **...and spread some KINDNESS.**

A handwritten letter can be a lovely way to spread joy and kindness and change the world a tiny bit for the better. It could be posted, given, or hidden for someone to find.

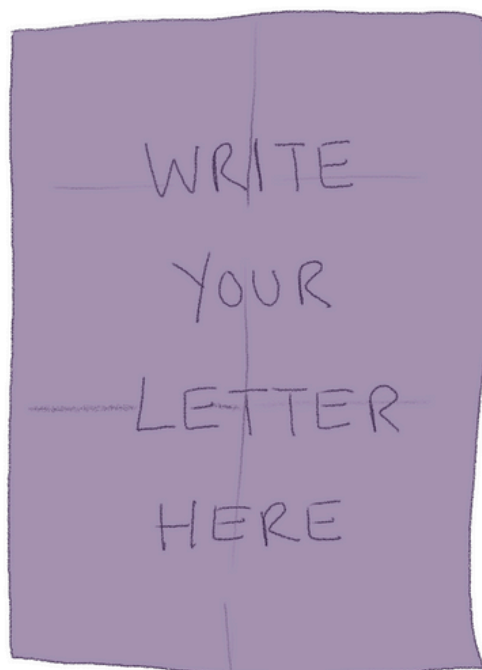

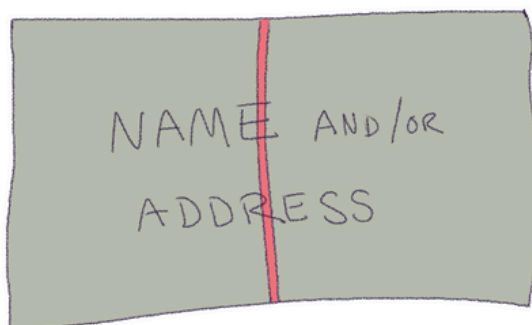

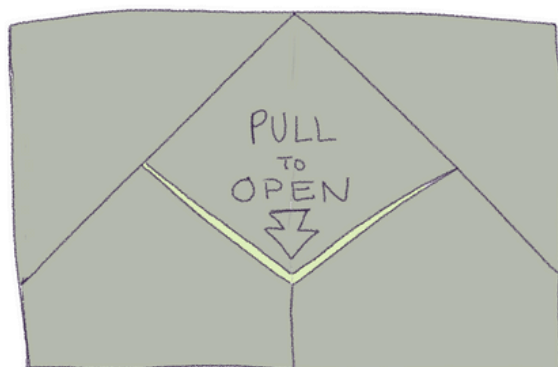

- Think about who you know that might like to get a special note?
 - Grandparent?
 - Parent?
 - Friend?
 - Neighbour?
 - Sibling?
 - Classmate?
 - Teacher?
 - Mystery stranger?
- There are many ways you can show kindness in a letter. Which do you think your person would appreciate the most?
 - Asking for advice or help?
 - Asking them to share a story?
 - Saying sorry for something?
 - Saying thank you for something?
 - Telling a joke to make someone smile?
 - An invite to spend some time together?
 - A recommendation for a good game/book/TV show to enjoy?
 - An honest compliment?
 - Just a nice letter?

Make the envelope....

Write your letter...

...spread some joy.
